Dr. Contiguglia reported to the Board regarding the USOC retreat in the middle of April that he attended with Mr. Pinto. He noted that the USOC suggested that the NGBs would have to change their governance structure to more closely follow the USOC’s governance structure. The USOC suggested that Congress might change the Ted Stevens Amateur Sports Act to require NGBs to alter their governance structure.

SECRETARY GENERAL’S REPORT
Mr. Flynn reported on meetings with the Soccer Hall of Fame. He reviewed the Hall of Fame’s current budget structure and the future plans for the Hall of Fame. Mr. Flynn recommended that USSF should take a more active role in supporting the Hall of Fame by making a monetary contribution and taking an active role in the administration of the Hall of Fame. It was MOVED that USSF contribute $1.275 million to the Hall of Fame over five years for capital and operating funds. The motion PASSED unanimously.

Ms. Antonucci outlined the efforts of Women’s Soccer Initiative to secure financing for the new league and the WSI’s plan to have a national presence in major and tier 2 markets. Ms. Antonucci noted that it would be aggressive to expect a league to launch in 2006 and that 2007 was more likely. Ms. Antonucci also stated that WSI was looking for investors to make a ten-year commitment to the new league.

OLD BUSINESS
Mr. Fike updated the Board regarding the Chapter 11 bankruptcy of ChampionsWorld. He informed the Board that San Marcos Sports had purchased the assets of ChampionsWorld at auction for $150,000. He also noted that ChampionsWorld had threatened to pursue litigation against USSF and MLS.

A draft of the policy had been circulated to interested parties. A meeting was held in New York regarding the draft policy. As a result of that meeting, the interested parties are hoping to propose a Policy to the Board on August 20, 2005. Mr. Gulati noted that there were still some outstanding issues to resolve but that he believed the meeting in New York was productive.

BOARD SIZE TASK FORCE
Mr. Gulati reported on two proposals for changes in the governance structure that had been recommended for discussion by the Task Force and the Executive Committee. One proposal suggested reducing the Board size from 41 to 20. The other proposal suggested changing the Board size to 15. Mr. Gulati also noted that both of the proposals left open the question of whether there would be “outside” directors. The Board discussed the proposals and recommended that the Task Force review the proposals and make a new proposal at the next Board meeting.

CYSA-N UPDATE
